

FOR IMMEDIATE RELEASE

International Knife Throwers Hall of Fame US Nationals of Knife & Tomahawk Throwing Championships

LAS VEGAS, NV., April 4, 2017 / - Some of the world's best knife and tomahawk throwers will step up to the line in an exciting competition at the US Nationals ProAm Conventional Knife and Tomahawk Throwing Championships. Held for the second year at the Superhero Foundry at 3155 West Post Rd and Dean Martin Blvd., this event is the 14th annual US Nationals for the International Knife Throwers Hall of Fame. The IKTHOF (established in 2003) is the largest knife and tomahawk throwing organization in the world with nearly 500 members. Its home base is in Austin Texas and its founder is Dr. Mike Alamo Bainton.

In competitive knife and tomahawk throwing, three wooden targets are placed in a V-configuration and knives and tomahawks are thrown for point values at distances of 6 feet up to 30 feet or more. With a maximum score of 300 points, the sport is quickly becoming the most exciting precision throwing sport in the world. Other throwing organizations, such as Eurothrowers in Europe, KATTA in the UK, Freethrowers in Russia, and Le Mans Habilis in France have adopted similar scoring systems and games and even knife throwing clubs in Indonesia are experiencing rapid growth of this sport.

The location of this year's US Nationals is the Superhero Foundry in Las Vegas, NV. Its owners, Dr. TJ Cuenca and Melody Joy Cuenca are the highest ranked knife throwing couple in the world. Melody is an 11-time world champion and the most awarded competitive female knife thrower in the world by winning championships in the United States, England, France and Italy. This year, this power couple will be competing in Hungary for the European Knife and Axe Championships.
